## Special Guest Shun Ng

Shun Ng is an award-winning fingerstyle guitar virtuoso, singer and songwriter, known for his unique style which infuses elements of Soul, Funk, Blues and Jazz. Shun dazzles audiences from all over the world with his flamboyant technique, soulful vocals and hypnotic groove. He stands as one of the most dynamic and innovative performers, winning accolades from legendary producer, Quincy Jones to fellow guitar virtuoso, Tuck Andress. At age 8, Ng was diagnosed with dyslexia and faced challenges with reading, languages and mathematics throughout his educational career. He turned to gymnastics and competed nationally. When Shun was 14, a gymnastics teammate brought in a guitar to the gym. Ng left the team and quit gymnastics in the next few days. His father bought him a guitar and as his passion grew, Shun finally found a language to understand the world – music. During his time in Bermuda, he has shared his passion with young people, inspiring them to overcome challenges and develop their talents. The Bermuda Festival is deeply appreciative of the work he has done with the young musicians here tonight, culminating in the finale of tonight's concert.
