information

Planned Giving Circle: Bermuda

Festival welcomes loyal members, patrons and sponsors who are willing to be the guardians of the future of performing arts in Bermuda. It is as simple as informing our office that you've included Bermuda Festival in your long-term financial/estate plans. Bequests/wills, Charitable Trusts, Retirement Assets, Life Insurance, Real Estate, and other deferred gifts are among the many ways supporters of the arts have contributed to the longevity of arts programs and institutions.

(As with any financial planning for the future, participants should consult their financial advisors regarding Planned Giving Circle opportunities)
