

2022 BERMUDA FESTIVAL SPONSORSHIP AGREEMENT FORM

The Bermuda Festival of the Performing Arts mission is to **Inspire, Educate and Entertain.**

Multiple studies have shown that engagement by a community in arts activities contributes to the health of society. The Festival is more than just an entertainment medium. By supporting the Festival you are not only helping bring varied cultural shows to Bermuda, you are helping to provide significant Outreach Programmes for students and seniors which give them an opportunity to interact with professional performers and various art forms which are not available in Bermuda. We build Outreach requirements into 90% of our performance contracts and Outreach expenses account for twenty-five percent of total production costs.

The Bermuda Festival of the Performing Arts Limited is the operating subsidiary of The Bermuda Festival Purpose Trust (a registered charity #439)

Please fill out this form with your personal or business information. Carefully review each sponsorship level and chose the one that is best for you. **Sponsorship level details are listed on page two.**
